

Notice to Readers

These summaries, composed by the Office of Legislative Research (OLR) with the assistance of the Office of Fiscal Analysis (OFA), briefly describe the most significant, far-reaching, and publicly debated acts adopted by the General Assembly in its 2018 regular session. Acts that the secretary of the state has assigned a public act (PA) or special act (SA) number are identified by that number; otherwise, we refer to the bill or resolution number.

Not all provisions of the acts are included. More detailed summaries can be found at <https://cga.ct.gov/olr>. Summaries of the major acts and all other public acts will be provided in our 2018 Public Act Summary Book, which will be available later this year.

OLR also produces a number of "Acts Affecting" reports highlighting legislation in the following policy areas: agriculture, banks, business and jobs, children, criminal justice and public safety, people with disabilities, education, energy, environment, firefighters, health professionals, housing, insurance, municipalities, real estate, seniors, taxes, town clerks and elections, transportation, and veterans and military. These reports will be available on the OLR website in late June.
