WE NEED YOUR HELP.....

The increase in the price of food and other costs to support a household has affected us all. However, some of our fellow residents in Weston are experiencing financial stress beyond their ability to sustain. The cost of fuel and electricity exceed their ability to pay.

We can help. Please consider adding a check made out the Weston Social Services Fund to help those in our community who are struggling to make ends meet. 100% of the Social Services Fund is used to assist Weston households in times of crisis. The Weston Social Services Fund is not funded by the Town of Weston budget.

Please, make a contribution to benefit the welfare of those less fortunate in Weston by including a donation with your tax payment. Let us all prove that Weston cares. Thank you!
